SIR,

Grant of Diploma to successful students of the Prayoga and Agama Classes of the Sri Chamarajendra Veda Maha Pathasala, Bangalore.

In forwarding, herewith a copy of letter No.178 dated 4th January received from the Secretary, Advisory Committee of Sri Chamarajendra Veda Maha Pathasala, Bangalore, on the above subject, I have the honor to state that the students of the Prayoga and Agama Classes of the Pathasala, who, successfully, undergo a course of studies, are not being given any certificate, to show that they have passed the examination. The Advisory Committee of the Pathasala is, strongly, of opinion that a Pathasala Diploma should be granted to the successful students at the end of the course. A copy of the resolution together with the form of diploma proposed by the committee, is enclosed herewith.

I agree with the Advisory Committee, and request that sanction of Government may be obtained to the said proposal, and that necessary instructions may also be issued to the Superintendent, Government Press, Bangalore, to arrange for the printing and supply of the form of certificates on indents received from the Pathasala.

Mysore File No. 146 ——————— 943-4

(1) There are two courses of study in the Pathashala one on Veda Prayoga" and the other on "Agama", lasting seven years and two years respectively.

(2) There are two points for consideration and orders.

(i) whether the proposal to issue Diplomas can be accepted? and (if the proposal is accepted)

(ii) what is the form of the diploma to be granted?

(3) The practice in vogue in the Sanskrit College at Mysore, may perhaps be ascertained. And if they issue diplomas to successful candidates a form of the Diploma may perhaps be obtained.

(4) In the draft form now submitted it is suggested that the bust of H.H. should be printed in the centre of the diploma. It is however not usual to have the portrait bust of sovereign on diplomas. The State Coat-of-arms or in the alternative the double headed eagle (Gandaberunda may be used. In the University diplomas, the Mysore Coat of Arms is printed inside a scroll.

(5) The question of supplying good paper for the purpose is also involved and the Superintendent of Stationery and Printing will have to be consulted in these days of there paper scarcity

(6) Submitted for orders.

(7) The proposal is to issue Diplomas in Sanskrit to successful students of the Pathashala may be sanctioned. The form of certificate may also be approved, omitting the bust of His Highness Maharaja.

Arms instead may be inserted

16/12

(8) The M.C. has since sent a copy of the Resolution of the Board of Sanskrit Studies that the grant of such certificates is unnecessary as higher examinations are held in Agama & certificates are granted by the Board. The M.C. has however not expressed any opinion. Hence, in view of the Board's Resolution, the proposal may be dropped. But before expressing ourselves, the M.C. & the College Committee may be consulted again in the light of the Board's Resolution

(10) Submitted in person and obtained instructions. The Secretary is pleased to direct that information on the following points may be obtained from the Mysore Commissioner's Office:-

(i) Whether the Syllabus prescribed for the Pra[illegible]

and the Agama Examinations of the Pathashala are similar to those pertaining to the same standard in the Sanskrit College at Mysore.

(ii) Whether the Students of the Pathashala who have studied Prayoga and Agama in the former institutions are permitted to appear for the examination on the said subjects held in the latter institution?

(iii) What are the prescribed courses of study for "the higher examinations held at Mysore" in respect of which certificates are granted there?

(iv) Whether the successful Prayoga and Agama candidates of the Pathashala are admitted to "the higher examinations" at Mysore?

(v) What are the opinions of the Professors of the Sanskrit College on the subject and in what circumstances they were consulted

(vi) Why should it be considered unnecessary to issue certificates in case of lower examinations, merely because certificates are issued in respect of higher examinations, when certificates are issued in case of all public examinations in the Education Dept and the University.

(11) The subject was discussed informally with the concerned official of the M.C's office, but the required information is not readily available.

(12) In the circumstances, it is for consideration as to whether the President of the Board of Sanskrit Studies Mysore may not be consulted U.O. in the first instance

as he is in a position to clarify the points in question.

Calls for the information referred to above

Letter No M6-C.139/43-44, dated the 5th April 1944

From the Muzrai Commissioner in Mysore, furnishing replies to the queries contained in this office letter dated the 15th January 1944, and recommending, in the circumstances stated, sanction to the grant of diplomas to the students of the Patashala, as already requested.

(16) Submitted for orders with reference to paras 9-10, 13-15 of the notes supra

(17) Copies of the replies sent by the Secretary of the Advisory Committee of the Patashala and the Principal of the Sanskrit College, to the M.C. on the subjects are for perusal. The Professors of Prayoga and Agama in the latter institution are not in favour of issuing diplomas to the students of the former institution, in these subjects and have furnished their reasons. Answers to point 5 under the two subjects in the Principals letter support the views held by the Professors. On the other hand, the Agama-Prayoga-mandali of Bangalore have opined that the grant of diplomas to the students of the Patashala is desirable

3/1/44. (18) [illegible] 18/1

(19) The Prayoga and Agama students of the Veda Maha Patasala Bangalore study for 7 years and 2 years respectively, and at the end of it they have to pass a test that they have successfully completed the course.

It is of course open to them to proceed thereafter to Mysore and study for the Vidwat examination in the Sanscrit College there. But it is not possible for all of them to adopt this course. It is for this reason that the Advisory Committee of the pathasala have recommended the grant of certificates to students who have completed their studies in the pathasala

(20) It is admitted that the knowledge of these students in Prayoga and Agama is rather elementary, but the Committee are of opinion that the training they receive in the pathasala is sufficient to produce efficient 'Purohits' and 'Archakas' and that their services would be quite useful in conducting day to day religious observances in families and worship in temples.

(21) The Board of Sanscrit studies however are opposed to the award of the proper certificates on the ground that higher examination in Prayoga and Agama are held in Mysore and certificates granted. This opposition is based on the views expressed by the professors of the Sanscrit College. The professors appear

that the award of certificate by the pathasala is detrimental to higher studies as most of the students would remain satisfied with what-ever little knowledge they may acquire in the pathasala. But there is no guarantee even now that all the students who pass out of the pathasala join the colleges at Mysore. It is certain that a large majority of them cannot afford to study for the vidwat examina Such of them as are keen or can afford are sent & proceed to Mysore for the prosecution of higher studies even after the ~~sky~~ system of granting certificates is instituted. In the circumstances I think the recommendation of the Mys Govt may be countermanded

With reference to your Memo No.M6-c1043 dated 24-1-1944 asking me to furnish detailed information on the points referred to by Government as regards the grant of Diplomas to students of Prayoga and Agama, I have the honor to submit as follows:-

1. The courses here and in the Sanskrit College Mysore are different as the former are rather elementary and primarily designed to train efficient "Purohits" and "Archakas" who will be very useful in conducting the day to day religious observances in families, Car, festivals, Temple worship etc. Those in the Sanskrit College Mysore are more advanced and prepares candidates for the Vidwat Examinations.

2. Yes, after further study. They are admitted for continuing their studies and may appear for the Examinations in due course.

3. (a) Prayoga Vidwat course requires the students to study the meaning of Sutra and Mantras useful to prayoga and presupposes a pass in Kramanta Examination (Intermediate or Purva Bhaga) in respective sakhas; while our course is meant to train students in Purvapara Prayoga with useful Mantras only.

(b) In Saivagamic Examination (i) important points in Kamika karana & Vatulagamas, (ii) Chatushshshti Bhakta Vilasas, U(iii) Sivarkamani Dipika (iv) Srikantha Bhasya and (v) Knowledge of Ten upanishads in addition to the portion prescribed here.

(c) In Vaikhanasagamic Examination (i) Sajjanasambhara (2) Uttama Brahma Vidya Sara (3) Paramatmakopanishad (4) SarvaDaivatya prasans with sutra (5) Pratishta Prasnas and Agamopakaranas in addition to the portions prescribed here.

(d) In Pancharagamic Examination (1) Agamapramanya, Pancharatra raksha Thantra Suddhi (2) Padma, Parameswara, Eswara and Satwata Samhitas (important portions) and portions relating to Pancharatragama in Sri Bhasya Bhavata , Varaha, Matsya and KurmaPuranas Sathapatha Brahmna Sri Thatva nidhi (3) Chandogya Brihadaranyakopanishad (Sixth Adhyaya) and Rama Purvottara Thapineeya in addituon to the portions prescribed here.

4. ThePathasala did not consider any outside Professors on the subject

5. The Committee of this institution held the view that, as the courses and Examinations were different, the successful candidates in the lower course should be awarded a deploma giving them credit for work done and recommended this course.

Letter No.729 dated 15th March 1944 from the Principal, Maharaja's Sanskrit College, Mysore, ---------- to the Muzrai Commissioner in Mysore.

With reference to your memo No.M6-C.1043 dated 24-1-1944, and the subsequent memo dated 23-2-1944, regarding the grant of diplomas to the successful Prayoga and Agama students of Sri Chamarajendra Veda Mahapatasala, Bangalore, I have the honor to furnish the following information as required in the memo.

PRAYOGA.1. Students are not allowed to take up Prayoga in this College unless they pass the examination in Kramanta in Veda, so that they will have a sound knowledge of reciting the Veda Mantras. The syllabus of Studies prescribed for the Prayoga Vidwat Examination taught in the Maharaja's Sanskrit College, Mysore, is higher than that taught in the Veda Mahapatasala, Bangalore.

2. Such students of the Veda Mahapatasala who study the Prayoga after studying the Krmanta Examination in Vedam, only, are permitted to appear for the examination in Prayoga conducted in the Maharaja's Sanskrit College, Mysore, by this Board.

3. The prescribed course of Studies for the Prayoga is as follows:-

Purva and Apara-Prayoga Mantras, Grihya Sutra and Dharma Sastra with meaning.

4. The copy of the opinions given by the Professors is herewith enclosed.

5. The candidates will not take up the higher study if they are issued the certificates for the lower examinations. The study will be incomplete and

their knowledge will ve very shallow. The study of hig
in course of time, fall into disfavour thus leading to the disa
and disuse of Prayoga proper.

AGAMA. 1. The Syllabus of Agama taught in the Maharaja's Sanskr College is by far of higher standard than that taught in the Veda Manapa

2. The standard of the Agama Course there is so low that the student are given two years tuition aref found fit only for being admitted to the 2nd Year Class of the Agama Course in the Sanskrit College, Mysore. So, they are not permitted to take up the examination in Agama here. They are only admitted to the 2nd Year Class.

3. A printed copy of the Syllabus of Studies of Agama Classes in the Maharaja's Sanskrit College is enclosed herewith.

4. The copy of the opinions given by the Agama Professors of the Maharaja's Sanskrit College is herewith sent.

5. The course of Studies of Agama in the Veda Mahapatasala is too short and the students with so much of study will not prove themselves to be proficient Archaks. And so the grant of certificates at that stage is sure to do very great disservice not only to the students, but also to the Agama Sastra itself in the long run.
